January 2023, the year began with the filming of the second chapter of BLACK AS SNOW, 2nd Film produced by Lizland Film, directed by Éric Valette (Crossing Lines , the Prey) alongside Laurent Gerra and Clémentine Poidatz

After the success of 2021 which brought 5.4 million viewers on France 2, a new case is taking place in the Haute Maurienne valley.

As a SUV, used for a robbery, is discovered crushed at the bottom of a cliff, the police start looking for the fleeing robbers.

The discovery of the corpse of the security man in the car, suggests that someone else is trying to appropriate the treasure lost in the peaks.

Main role, antagonist,

Pierre plays Daniele, a former mountaineer who lives in a secluded chalet in the mountains with his daughter Skadi.

He will have a close relationship with Constance (C.Poidatz), and will help the Police track down the fleeing robbers.

DIME QUIEN SOY

From a book that he receives in his small publishing company, Javier will learn about the troubled life story of Amelia Garayoa, a woman, who is willing to leave her whole life behind to fight for freedom. Through encounters with the four men that will shape her life: Santiago (her husband), Pierre, Albert and Max; Amelia will become involved in the most important events in the history of the 20th century, from the Franco uprising to the liberation of Berlin; Rome of last years of the Duce and the decline of Nazi Germany in occupied Athens..

TELL ME WHO I AM relates the recent history of Europe represented by a woman who will never be able to the pay the price of her own contradictions.

Pierre plays, Max von Schumman, a german doctor and Wehrmacht officer, he comes from an aristocratic family. He has a strong sense of duty that leads him to remain loyal to the German army despite his disagreements with the Hitler regime. His relationship with Amelia will be the one lasting but will destroy him forever.

The serie has been sold worldwide , HBO LATAM, NBC Peacock, ARTE ...

MORE THAN STRANGERS

CINEMA

The House of Europe, locked in the passenger compartment of a car: During a long car trip, a very unique group dynamic develops on the virulent subjects of our time.

Five strangers of different nationalities travel from Berlin to Paris in a carpool and all have one thing in common: wanting to get to their destination easily and cheaply. Even determining if a passenger has a problem or is in difficulty can be done while the vehicle is running at full throttle. The journey must continue – how now is up to you!
